Booking Conditions

This itemised booking form allows you to book specific services or facilities before you arrive to help you get what you want from your stay. Also, we have a range of facilities and equipment that you may wish to hire during your stay as set out in the "Itemised Charges" sheet. As staff are not usually available on an ad hoc basis and also because facilities/equipment/services are sometimes otherwise committed, you should consult the Centre prior to your visit to avoid any disappointment. You should be aware that these normally increase in line with inflation at the start of each financial year (April 1st onwards). At the end of your visit we will agree the services used and supply an invoice. Centre staff are not authorised to offer any other quotes. Please abide by any Centre rules whilst on site. In particular no dogs are allowed on site except for guide dogs. We operate under the same guidelines that apply to school playing fields. Also all groups with young people of less than 17 years of age must be supervised by an adult of at least 21 years of age.
